BUILD AN OUTRAGEOUS ANIMAL

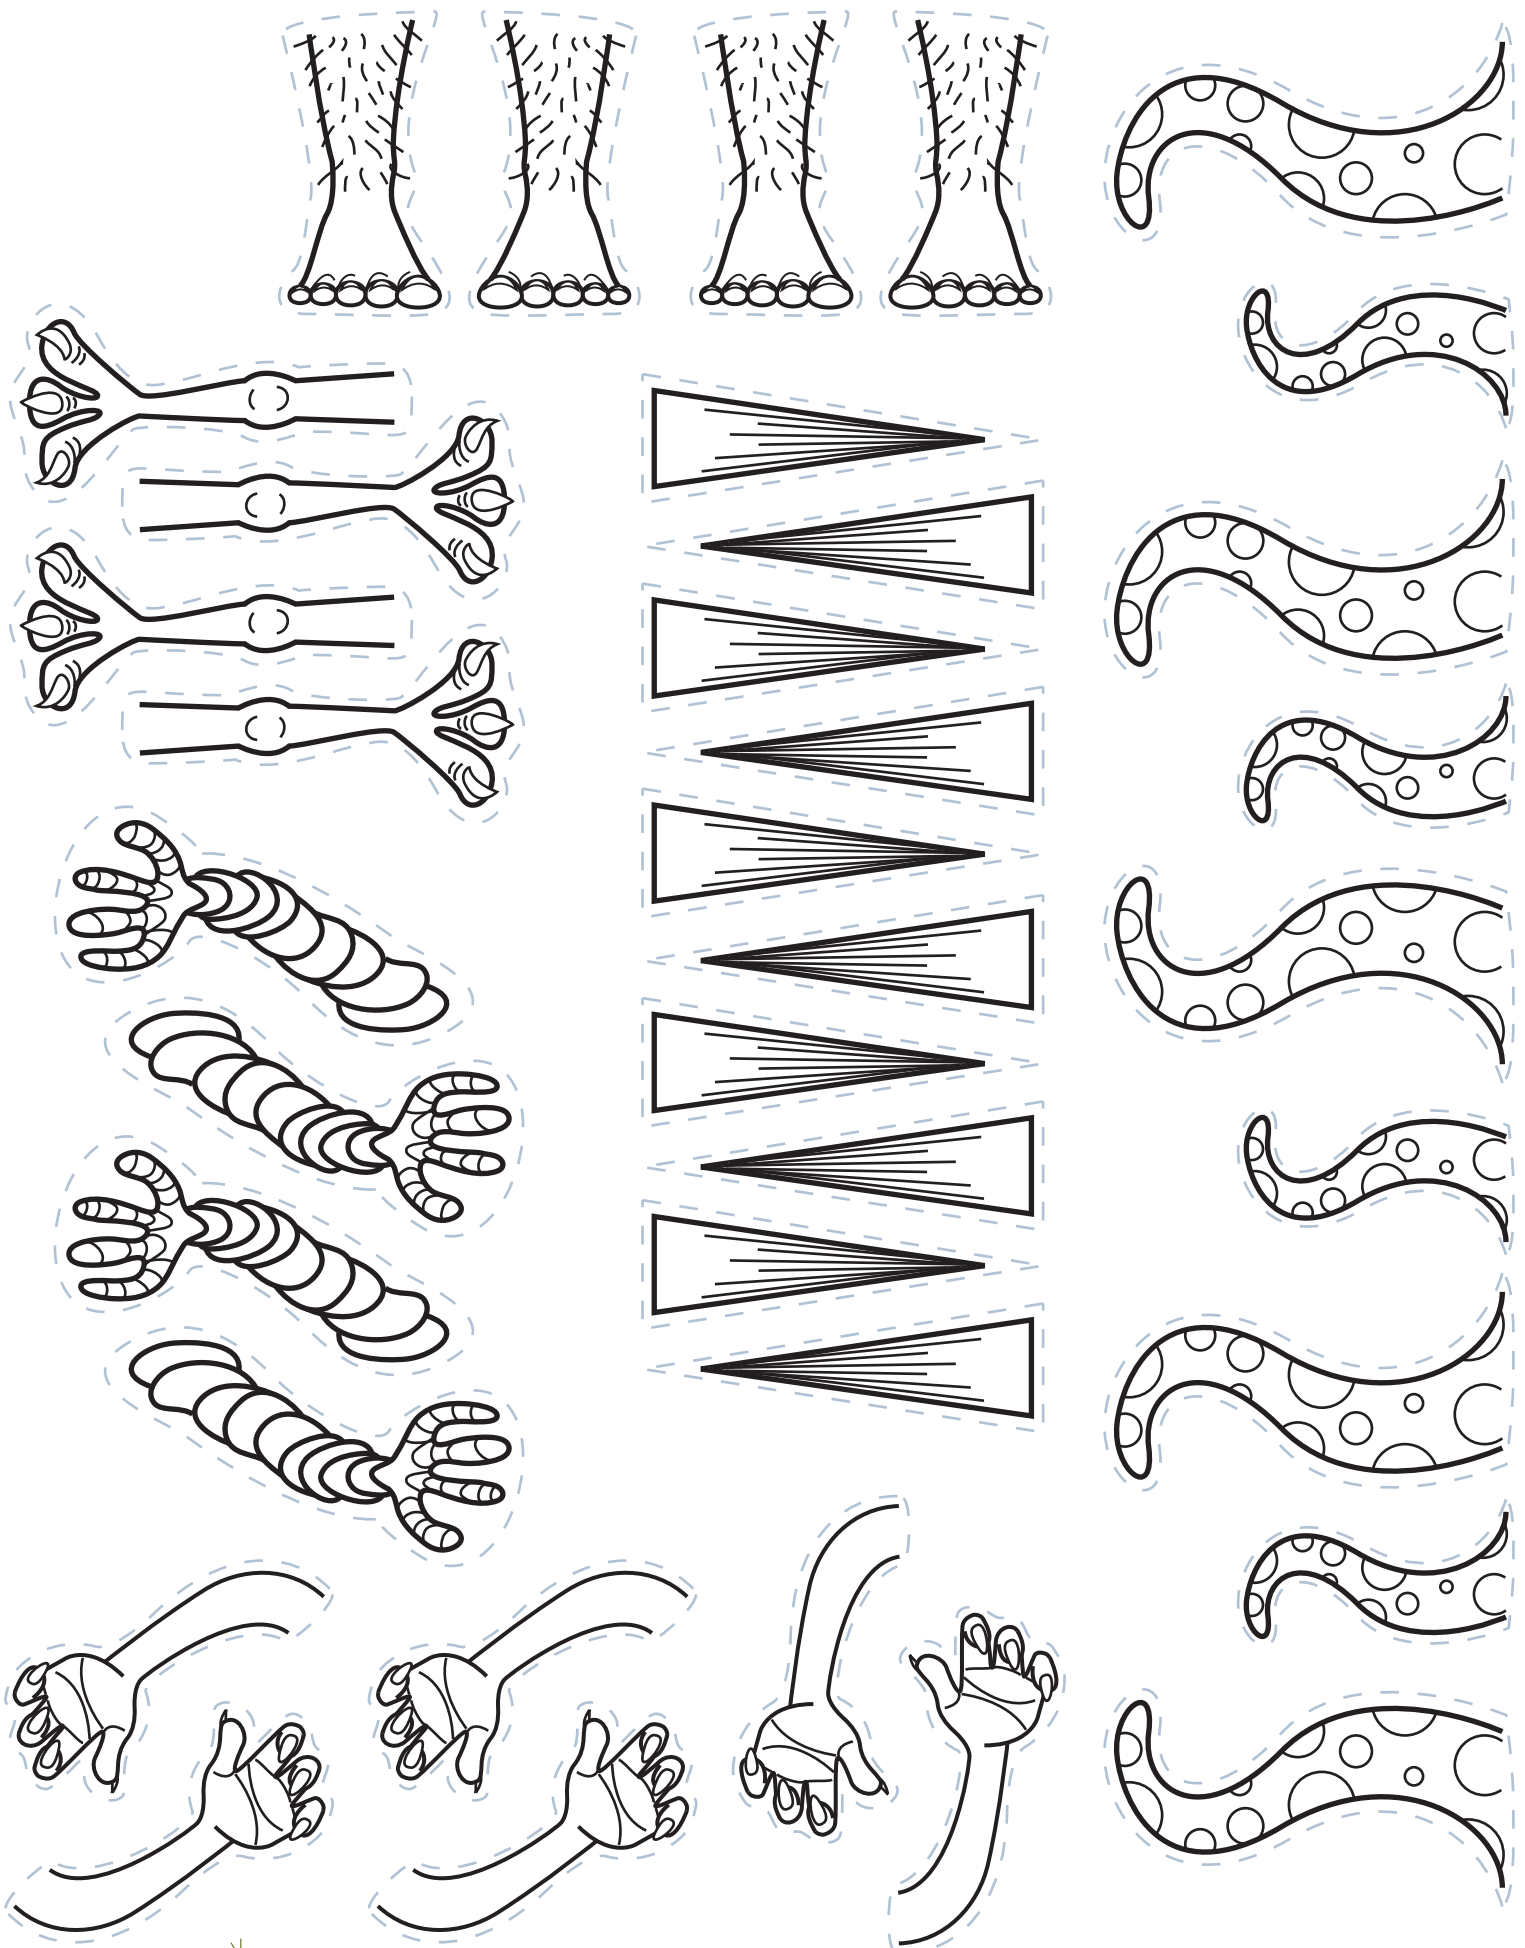

Build and color a crazy animal! Have an adult help you cut them out and see what wild creations you can come up with. Add spots or stripes to give your animal a wild pattern of its own. Choose one of the shapes below as the body and then come up with a fun story for your new critter.

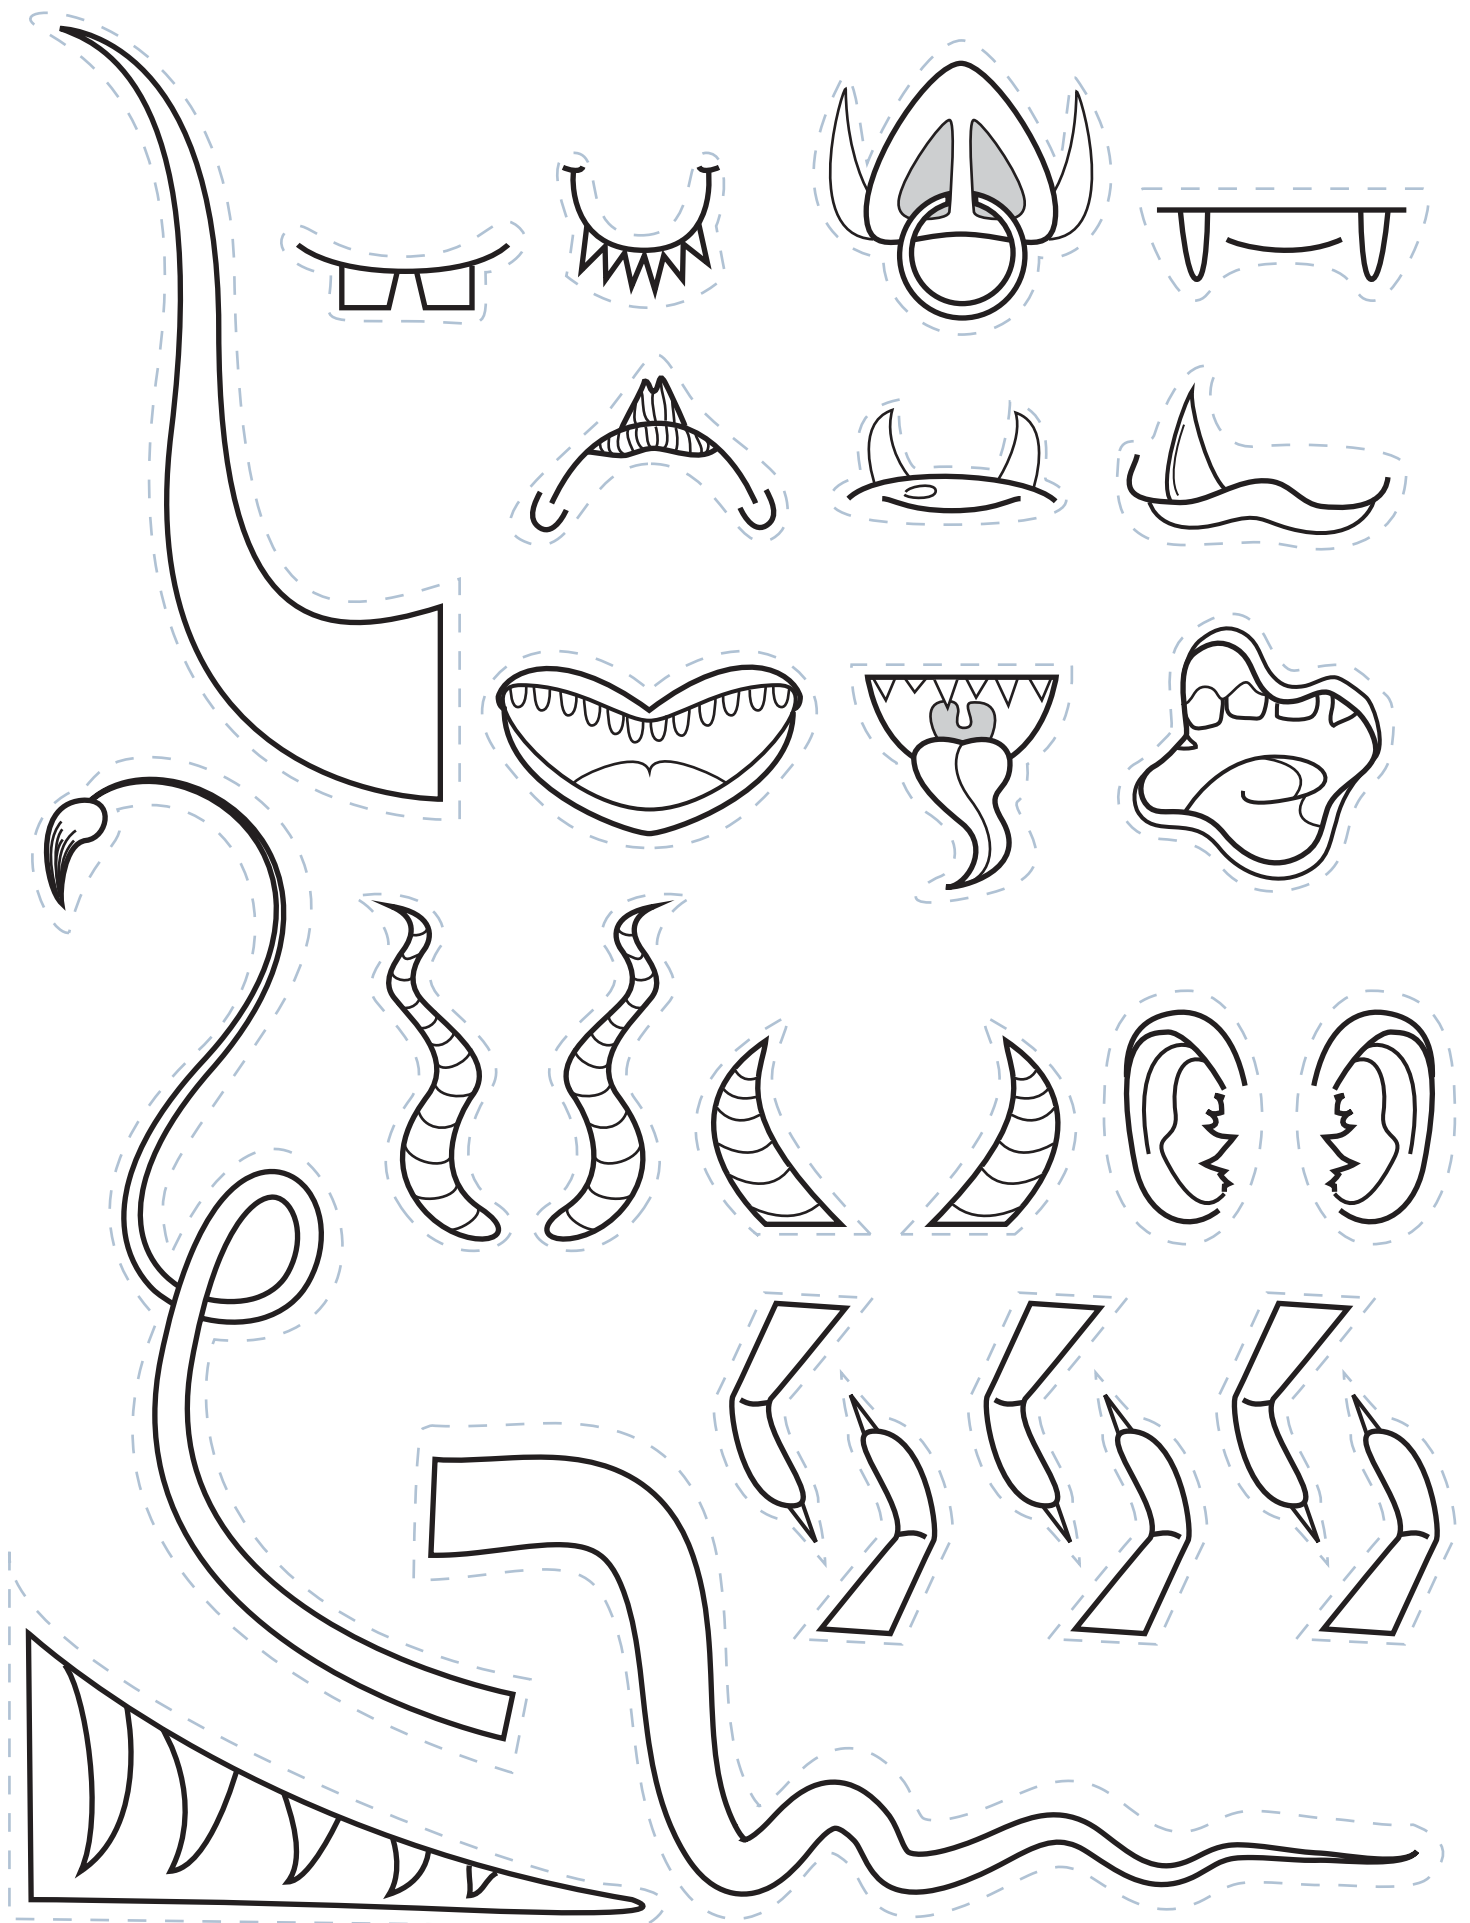

Cut along the dotted lines.

WRITING PROMPT

Once your crazy animal is done, think of a fun adventure that it could go on and write a story below!

Write the name of your animal here:

Handwriting practice lines consisting of multiple sets of three horizontal lines (top solid, middle dashed, bottom solid) for writing a story.

Great job!
